Your letter No.2414 A/43-6 dated 24-5-44.

In the absence of a notice under section 89(1)(a) no remission is admissible under Section 89(1)(e). If remission is allowed without the above mentioned notice, the remission so allowed will be objected to in audit. I have no power to condone omission to give notice as required above. If you deem it necessary, you may kindly address Government to condone the omission to enable me to remit the tax. The half yearly tax is a fixed percentage of the rental value.

The assessments shown in my letter dated the 14th April 44 may be kindly approved early.

of completion to the Municipality under Section 89(1)(a), no remission is admissible and that for condoning the omission of notice, Government may be approached. His letter dated 27-5-44 is enclosed.

No notice of completion of the shed could be given to the Municipality in 1939 as the fact that a portion of the shed is lying within the Municipal boundary was found out only in September 1943 when the survey of the port land was conducted. In the extraordinary circumstance stated above, I request that Government will be pleased to pass orders condoning the omission to give notice under Section 89(1)(a) of the Madras District Municipalities Act, 1920 and also for the payment of the arrears of tax for the period from 1939-40 to 1943-44.

No. 2414 A/43 dated 13th June 1944.

Sir,

Tax - Property - Store shed in dry dock compound at the Port of Mangalore - Assessment of.

I have the honour to state that a store shed in the dry dock compound at the Port of Mangalore was completed on 25th July 1939 and since that time no property tax was paid to the Mangalore Municipality, as it was then thought that the above shed was outside the Municipal limits. In the survey of Port land undertaken in September 1943, it was found that a portion of the shed was inside the Municipal area and the fact was accordingly immediately brought to the notice of the local Municipal Commissioner. Thereupon the Commissioner has forwarded to this office for acceptance an assessment statement for Rs.35-2-0 up to the second half of 1943-44 claiming arrears of tax from the first half year of 1939-40. On addressing the Commissioner, Mangalore Municipality, for remission of tax for the first half year of 1939-40 under Section 89(1)(c) of the Madras District Municipalities Act, 1920, in view of the fact that the above shed was completed only on 25-7-1939, he says that in the absence of the notice
